

*I've never seen God, but I know how I feel
It's people like you who make Him "so real."
It seems that I pass Him so often each day
In the faces of people I meet on my way
He's the stars in the heavens, a smile on some face.
A leaf on a tree or a rose in a vase.
He's winter and autumn and summer and spring.
In short, God is Every Rea, Wonderful Thing.
I wish I might meet Him much more than I do
I would if there were more people like you.*
